**Consultancy and Electrical Testing Services Provided For the Singapore Jurong
Cogeneration Project**

Dear Mr. Lee,

This letter serves to recognize the excellent consultancy services provided by your Professional Engineer as well as the services provided by your electrical equipment testing crew for the above mentioned project at ExxonMobil's 18, Pioneer Road, Singapore Refinery. The Project involved the installation and commissioning of 2 x 45MW Cogeneration facilities.

We would also like to add that the effort and commitment shown by your management and crew, in maintaining a safe work environment and successfully completing the project, is commendable.

Thank you for the services provided.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read "Lim Teck".

Lim Teck
Electrical Advisor
Singapore Jurong Cogen Project
